NORFOLK CASE IS AGAIN POSTPONED

Another Meeting Will be Held October 22d, When it Will be Finally Disposed Off.

The Democratic State Executive Committee met last night in Chairman Ellison's office to give a rehearing to the two factions of the party in Norfolk county. The Cromwell people protested against reopening the case. Colonel R. C. Marshall was their representative. It was finally decided to meet again on Tuesday night, October 22d, and to take the matter up. This was done to give the Cromwell people full opportunity to appear and present their side of the case, if they choose to do so.

Meanwhile, the candidates for the House and Senate on both sides will file notices of their candidacy and proceed with their fight before the people until one side or the other shall be finally declared regular by primary or otherwise. Then it is presumed that the other candidates will withdraw.

Jones, of Richmond county; Barnes, of Nansemond; Watson, of Nottoway; Beholds, of Staunton, and Kelley, of Richmond city. This barely made a quorum, as there is a vacancy in the Sixth District and Messrs. Irvine, Hay, Willard, and Spencer were absent.

Colonel R. C. Marshall was on hand as the representative of the Cromwell faction, and Messrs. G. W. Jones, and candidates Coleman, for the Senate, and Halstead, for the House, were the leading spirits on the Coleman side, though they had back of them a great many of their leaders and supporters.

It was 10 o'clock before Mr. Kelley arrived, and the session lasted until 11:30 o'clock.

Col. Marshall was heard briefly on the part of the Cromwell people, and he made a vigorous protest against any reopening of the case, declaring that the former decision of the committee, which recognized the Cromwell people, should stand.

He then withdrew, and State Committeeman George W. Jones made an appeal for a primary on behalf of the Coleman people. No further speaking was had and no witnesses were examined, and the committee then held a brief executive session with the result as stated above.

While no vote was taken on the direct proposition of ordering a primary last night, it is understood that Messrs. Barnes, Watson and Jones leaned to that course, while the other members present thought the best thing to do was to postpone and give a full hearing to both sides and then finally dispose of the matter one way or another.

It is rumored that the Cromwell people will not appear and will have nothing to do with the next meeting, but this cannot be stated as a positive fact. The matter is exciting a great deal of interest and its final outcome is looked for anxiously on all hands.

The following is a copy of the telegram sent to the leaders of each faction in reference to the action of the committee last Thursday night:

"The Executive Committee has granted a rehearing in the Norfolk county cases. A meeting for that purpose will be held at my office, No. 1015 East Main Street, Saturday night, October 13th, at 8:30 o'clock. The meeting will be an executive session, and it is the wish of the committee that only the principals and necessary witnesses be present at the hearing. I will be in Norfolk, at Monticello Hotel, to-night, if you would like to see me."

"J. TAYLOR ELLISON," "Chairman."

The effect of the granting of the rehearing leaves the matter just where it was before the action of the committee on the 24th of September. Each faction stands on equal ground; neither one is recognized as regular on an irregular.

STOLE TWELVE WATCHES.

Two White Boys of Church Hill Are Charged With Stealing \$250 Worth of Jewelry.

Cleveland Taylor and Harvey S. Tenser, two white boys of good families, about sixteen years of age, were arrested yesterday afternoon by Detective Tomlinson, Policemen Folkes and Wiltshire, charged with stealing a dozen or more gold watches and various other articles

of jewelry, the property of William H. Davis, who is conducting an auction house at No. 709 East Broad Street.

Six of the watches and eight pair of cuff buttons were found at the residence of Tenser, No. 611 North Twenty-seventh Street. Taylor, up to several weeks ago, had been employed at the auction house.

Mr. Davis closed his place yesterday at noon and went out for lunch. When he returned some one asked to see a watch. He opened the watch case and to his surprise he found a stock had decreased considerably since his departure. He had seen Taylor in the store before leaving and suspected him of the theft. The police were notified and they arrested the boys yesterday evening on Broad Street. They claim that the six watches found at Tenser's residence were given them.

JOHN S. IRBY MARRIED.

His Bride Daughter of Former California Governor.

Information was received here last night of the marriage of Mr. John S. Irby and Mrs. Harriet Ryland O'Keefe, in Denver, Col.

The bride is a daughter of Hon. Dwight Ryland, a former Governor of California, and a granddaughter of General Bancroft, the California pioneer and also a former Governor of that State.

Mr. Irby is a former Richmond newspaper man. He is a native of Halifax county, where he has a large number of relatives. After a course at Richmond College he became a member of The

Times staff in 1889. He was an exceedingly bright young man and was rapidly promoted until he became managing editor. He held this position up to May, 1890, when he resigned to go to Colorado to reside.

The news of his marriage was a genuine surprise to his many friends here.

GLAD IT IS OVER.

So Say the Police, Who Did Good Work During the Carnival.

"The Carnival is over and I am as happy as a mocking bird," said Detective Alex. Tomlinson, at the Second Station this morning at 2 o'clock. "So am I," shouted Captain Angle and Sergeant Brooks.

The total number of arrests for the week ending last night was 130. One hundred and twenty-five were made in the Second District. Captain Angle stated that he thought that was a small number considering the crowd that was here.

PACIFIC CABLE.

President Advised to Take No Action Present in Granting a Landing.

(By Associated Press.) WASHINGTON, D. C., Oct. 12.—Attorney-General Knox had a long conference with President Roosevelt to-day in regard to the application of the Pacific Commercial Cable Company to lay a cable from the United States to the Philippines by

way of Hawaii and Guam.

Mr. Knox advised the President to take no action at present. It is deemed desirable to know whether the company would extend its own line to China, or would make some arrangements with the English company that already has a cable from Hong Kong to Manila.

The Attorney-General regarded it as very important that there should be a complete line from the United States to the Philippines and the continent of Asia.

CROWE WILL SURRENDER.

Only Condition He Makes Is That Reward Offered Be Withdrawn.

(By Associated Press.) OMAHA, NEB., Oct. 12.—Chief-of-Police Donahue has received from Patrick Crowe, through a friend of the latter, an offer to surrender himself and stand trial in the courts if the reward of \$50,000 hanging over his head for the alleged kidnapping of Edward A. Cudahy, Jr., is withdrawn.

Chief Donahue did not accept the proposition, but made a counter-offer to waive the reward himself, saying nobody else could secure it. The Chief says Crowe is tired of being hunted, and is willing to take chances of a trial if the reward is withdrawn. He says Crowe is less than five hundred miles from Omaha, and is not with his relatives.

Edward A. Cudahy, Sr., was asked if the reward for Crowe would be withdrawn. In reply, he said: "Yes; we will do anything to secure Crowe. I will be

have Crowe was one of the abductors of my son, but if he surrenders he shall have a fair trial, and if he gives himself up under the circumstances named the reward will be withdrawn at once. I have not heard from Crowe directly or indirectly myself, but Chief Donahue has had the matter in hand and I will have him act in any manner that will secure the presence of Crowe."

COUNTY CHAIRMAN RESIGNS.

Mr. Jordan Does Not Think He Should Be Nominated and Chairman Too.

(Special Dispatch to The Times.) SUFFOLK, VA., Oct. 12.—There was a mild political surprise to-day, when House Delegate Walter Jordan, recently elected Democratic county chairman, notified the county secretary of his resignation. Mr. Jordan assigned as a reason the fact that, being the nominee for the Legislature, he thought it was some one else to have charge of directing the fight. Another reason, he said, was having no opposition for the House, will naturally run far ahead of Mr. Montague. That state of affairs would likely bring about comment. Mr. Jordan is, of course, supporting Montague, though he was a Swannson man before the Norfolk Convention.

A meeting of the County Committee to elect Mr. Jordan's successor will be held next Friday at noon. Mr. Jordan's friends think his resignation from the chairmanship was a wise move under the existing conditions.

Town Treasurer R. S. Boykin will probably be elected Mr. Jordan's successor.
